**DONATION BY SIKORSKY GLOBAL HELICOPTERS TO SUPPORT
SCHOLARSHIPS FOR NANTUCKET'S 5th ANNUAL AVIATION SUMMER CAMP**

NANTUCKET, MA (March 14, 2011) – With planning underway for Nantucket's 5th Annual **Aviation Career Education (ACE) Camp**, the Nantucket Educational Air Program, Inc. (NEAP) is pleased to announce a substantial donation by Sikorsky Global Helicopters, a division of the Sikorsky Aircraft Corporation. The donation will be used for camp scholarships and to assist in bringing guest speakers to the island for presentations to campers. This year, **ACE Camp is set for Monday, June 27th through Friday, July 1st, from 8:00 am to 5:00 pm; activities will be held at both Nantucket High School and Nantucket Memorial Airport.**

The financial support by Sikorsky Global Helicopters stems from **ACE Camp's** focus on the important role of helicopters in aviation: past, present and future. According to Dorith Hakim, General Manager of Sikorsky Global Helicopters in Coatesville, Pennsylvania, "Sikorsky Global Helicopters is pleased to support the youth aviation camp education program.... especially a program that includes, as one area of emphasis, the history, development and uses of rotary-wing aircraft." Sikorsky Global Helicopters, a division of Stratford, CT based Sikorsky Aircraft Corporation, is a world leader in helicopter design, manufacturing and service. Sikorsky Aircraft Corp. is one of many business units of United Technologies Corp., based in Hartford, Conn., which provides a broad range of high technology products and support services to the aerospace and building systems industries.

"We are particularly appreciative of support from Sikorsky Global because of the company's history and the flexibility that rotary-wing aircraft provide our residents," said Airport Manager Al Peterson. "Helicopters are essential for medical evacuations, along with their role in the work of the Coast Guard in search and rescue, drug interdiction and other tasks."

(more)

This year's aviation camp, open to middle and high school students, whether year-round or seasonal residents, is an exciting experience for those with an interest in aviation, in learning to fly aircraft and in airport operations and management, aeronautics, science and most important, exploration and fun!

Detailed information, along with registration and scholarship forms for **ACE Camp 2011**, will be on the Airport's website, www.nantucketairport.com, on **Monday, March 21st**. Interested campers are urged to sign up as soon as possible because space is limited. Tuition for **ACE Camp** is \$295 and scholarships, funded by Sikorsky Global, and other generous supporters, are available.
